HAPPY NEW YEAR

DECEMBER 2025 • NEW DELHI

KAPIL GOSWAMY
Founder & Managing Director

Dear Friends,

As we come to the end of 2025, I thought it is a great time to say Thank You to all our friends, clients and well-wishers, and to wish you all a Merry Christmas and a Happy New Year. It also give me the chance to update you with all that has been happening at our end, and to take a minute to tell you what we have been up to, by way of **Service Enhancements** as well as our **Sustainability Initiatives**.

By way of **Service Enhancements**, one of the things we managed to do (which should hopefully keep the Instagram generation happy!) is that all our vehicles are now "Wifi" enabled, so clients can remain in touch while on the move anywhere in India. In addition, we managed to put together our very own list of "Recommended Restaurants" throughout India, accessible within minutes to our clients digitally via our Reps.

By way of **Sustainability Initiatives** and fulfilling our CSR responsibilities, we've taken several small steps forward during 2025. All new vehicles added to our fleet are now "Hybrids", and almost all client facing documentation is now digitized, small steps towards reducing our carbon footprint. By way of CSR, we have contributed generously for some great causes including "Bhagta Bharat", an NGO dedicated to providing sporting facilities to under-privileged children in rural areas, and to the Rotary Club of Delhi Garden City towards Eye Surgeries for under-privileged children and a Cervical Cancer Vaccination Drive aimed at young girls.

2025 has been a good business year for us, for which again a big "Thank you" to all of you. During 2025, in addition to our usual bread and butter business of small Groups and FIT's, we've also handled the India arrangements for some round the world **Private Jet Journeys**. **Women Only Travel** seems to have been the flavor of the year in 2025, and at our end, we have been privileged to handle multiple "Women Only" groups travelling to India from geographies as diverse as Australia, Spain and North America.

2025 has also been a year of enhanced Marketing Efforts from us. During the year, we were happy to host Travel Agents, Tour Operators, an Independent Travel Consultants from UK, Europe as well as North America, to a series of Fam Trips, to give them a first hand taste of the India sub-continent. We also participated in multiple Road Shows, Trade Shows and Exhibitions, to meet with our existing partners and to establish new relationships. Our International presence has grown too, with a new Representative now in place in Australia, complementing the efforts of our existing Representatives in the US, UK, Spain, France, Benelux, Italy and Russia.

2025 was also a year of several accolades for us.

We were awarded for our outstanding business contribution by several prestigious Hotel chains, including the **Taj Group of Hotels**, **The Leela Hotels**, **The Imperial hotel** and the **Evolve Back Resorts**.

My mail would not be complete without giving a big "Shout out" to our wonderful team in the office, all of who have worked tirelessly towards achieving our single minded goal of giving our clients world class services and the best experience of the Indian sub-continent.

So, once again, a big "Thank You" to you for your business, and for trusting us to look after your clients. We look forward to serving travelers to our wonderful destination for many more years to come.
